Ages 5-12

## About the City of Albany's Park Renovation Plan.

The City of Albany's Park Renovation Plan is to improve accessibility of play equipment, picnic areas and pathways to people of all ages and abilities, and in compliance with the Americans With Disabilities Act (ADA) standards. **This playground has been selected for upgrades.** What is ADA compliance? These are enhancements that allow those with disabilities the same opportunity to use and enjoy our recreational facilities, as all others. The upgrades will improve safety, promote use, activity and development, and create fun spaces that are attractive to all.

Jonathan P. Jones, Commissioner
